

6. She also began to write on stockmarket topics for the fortnightly investment magazine "The Headliner" which covers the New Zealand and Australian listed company sector, global managed funds, economics etc.
7. In the investor relations area, she assisted with the preparation of a PowerPoint presentation for the S Industries annual meeting.
8. She handled media distribution of releases from W Wine Estate Ltd.

December.

1. Stephanie continued with drafting of editorial texts for Market Intelligence magazine and for the New Zealand Company Register.
2. She assisted with the organisation of S annual meeting addresses for filing with the NZ Stock Exchange.
3. She interviewed, for The Headliner magazine, the managing director of a listed biotech company, B Technologies Ltd, and wrote an excellent story on the company's product performance.
4. With Warren H she visited W Wine Estate for discussions on the company's annual meeting and related media work. Subsequently, she accompanied Warren H to W Valley to gather new photographic work for use in a PowerPoint presentation to the annual meeting. She assisted in preparations for the annual meeting and attended the meeting as one of the professional team.
5. Stephanie under-studied interviews related to a media feature on a N Property Trust shopping centre under redevelopment and assisted in selection of illustrations for related advertising.
