

ASOCIACION COSTARRICENSE
DE PROFESIONALES EN TURISMO

To Whom it May Concern

The following is to certify that Mr. David F [redacted] has worked as an intern for the Costa Rican Association of Professionals in Tourism - [redacted] for the period of the 22nd of June through the 13th of August, 1999.

During his time with the Association Mr. F [redacted] showed initiative and fulfilled his internship by developing a study project concerning tendencies in the Costa Rican tourism industry. The project specifically was geared towards defining the consumer Profile of the United States Visitor to Costa Rica for the period 1987 - 1997 utilizing statistical data, official governmental surveys and previous documents.

He has developed an article based upon the analysis of the above that will be printed in the Association's Official Magazine - [redacted]. Mr. F [redacted]'s skills in the Spanish language were primarily utilized in the development of the project as well as his knowledge of the English language where needed.

On behalf of the Costa Rican Association of Professionals in Tourism, I am pleased to not only certify David's efforts during the internship, but also his work ethic and pride in getting a job well done.

The above is issued at the intern's request to certify his time with us and I subscribe on the 13 of August, 1999.
