Dear Carina

We are pleased that you will be joining us in January 2002 for five weeks.

Although you will be joining us as a voluntary intern, we anticipate that you will be integrated fully into our team.

The Radioworks NZ Limited is a nationwide company having a total of 20 branches. Here in Queenstown we operate three radio stations, Resort Radio, The Edge and Solid Gold.

I look forward to meeting you in January. If I can be of any assistance prior to your arrival please contact me anytime on 021 377

Yours faithfully,

Fiona H
